

## The Peaks Care Center & Frontier Therapy Center of Longmont Earns 5-Stars from CMS and is Among the Highest Rated in Boulder County.

All of us at The Peaks Care Center and Frontier Therapy Center of Longmont are thrilled to announce that we have earned the prestigious 5-star rating from the Centers for Medicare & Medicaid Services (CMS)! This recognition places us among the highest-rated care and therapy facilities in the Longmont, CO area.

Our 5-star rating reflects our unwavering commitment to providing exceptional care and services to our residents and patients. At The Peaks Care Center, we prioritize personalized, compassionate care, ensuring that every individual feels valued and supported. Similarly, Frontier Therapy Center is dedicated to delivering top-notch therapeutic services designed to enhance the quality of life for all our patients. While the average number of health citations in the United States is 9.4, The Peaks maintains a remarkably low rate. Even within the state of Colorado, where the average number of health citations is 8.5, The Peaks Care Center surpasses expectations, underscoring its commitment to upholding the highest standards of quality and safety. Another measurement of our commitment to quality care and services is our focused efforts regarding customer satisfaction.

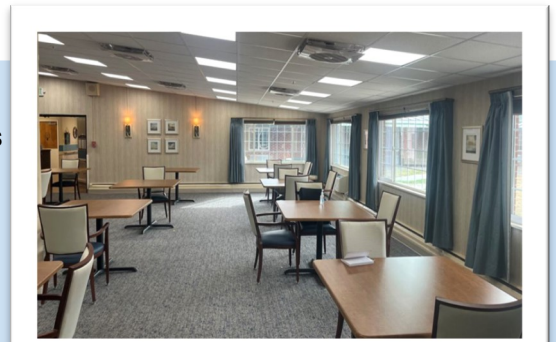

According to the most recent Pinnacle Assurance survey completed in April 2024, The Peaks is exceeding national averages in nursing care, dining services, cleanliness, professional therapy (awarded best-in-class), and safety and security.

Both the 5-star rating and consistently positive customer satisfaction scores are a testament to our team's unwavering dedication to providing top-tier services and maintaining stringent quality standards. "These outcomes reflect the tireless efforts of our compassionate staff and the exceptional level of care they deliver to our residents each day" stated Julian Hazlett, executive director.

"There is such longevity and talent among the team at The Peaks Care Center" said Heather Stratton, vice president of operations. "Thank you to our dedicated staff and supportive community for making this achievement possible. We look forward to continuing our tradition of excellence and providing outstanding care and services to those in the Longmont area."

The Peaks Care Center offers a comprehensive range of services, including skilled nursing care, rehabilitation therapy, assisted living and affordable independent living studio apartments.

With a focus on personalized care plans and a clean and nurturing environment, The staff at The Peaks Care Center ensures that each resident receives the attention and support they deserve.
